

Felix Hornby

ABOUT ME

My name is Felix, I enjoy snowboarding, climbing, and biking. I have a passion for computer programming, I also enjoy camera-work, video editing, and 3D modelling.

I am:

- Polite
- Friendly
- Creative
- Focused
- Punctual
- Hard working
- An effective problem-solver

Right now I'm enrolled in a T Level in Digital Production Design & Development at Bournemouth & Poole College (Landsdown Campus) where I intend to further my learning in programming & software development, cybersecurity, data analysis & management, legal, ethical, & professional responsibilities.

I'm currently working towards a career in software development, web development or cybersecurity.
